4. If you are applying for an HMO Plan, please note that pregnancy is a Waivered Condition. However, if you have prior creditable coverage, and you apply for coverage within 63 days after termination of the prior coverage, Blue Shield will credit the length of time you were covered on your previous health plan toward the six-month period. PART 11 — STATEMENT OF GUARANTEED ISSUE ELIGIBILITY

If you have a pre-existing condition and are concerned about obtaining health care coverage, Blue Shield offers an alternative that you may want to consider.

The federal Health Insurance Portability and Accountability Act (HIPAA) makes it easier for people covered under existing group health plans to maintain coverage regardless of pre-existing conditions when they change jobs or are unemployed for brief periods of time. Depending on your responses to the statements below, you may be eligible for guaranteed issue in accordance with HIPAA, and Blue Shield will automatically accept your application for one of its guaranteed issue plans. Each person on the application must meet HIPAA eligibility requirements to qualify for a guaranteed issue plan.

If you are applying for coverage on behalf of any dependents who are not eligible for guaranteed issue, their coverage will be subject to medical underwriting, except for children who were enrolled under any prior creditable coverage within 30 days of the birth or placement for adoption. A dependent child who is 18 years of age or younger or a dependent spouse applying for guaranteed issue must complete a separate Statement of Guaranteed Issue Eligibility (Blue Shield will accept copies of the Statement of Guaranteed Issue Eligibility). For additional applications or current guaranteed issue rates, please contact your Blue Shield agent or call Blue Shield at **(800) 431-2809**.
