Terms, conditions, and authorizations

Information regarding Medicare supplement plan coverage: Before you apply, it's important that you read the following information, then sign and date at the end of this application.

1. You do not need more than one Medicare Supplement plan policy or contract.
2. If you purchase this contract, you may want to evaluate your existing health coverage to decide if you need multiple coverage.
3. You may be eligible for benefits under Medi-Cal or Medicaid and may not need a Medicare Supplement contract.
4. If after purchasing this contract you become eligible for Medi-Cal, the benefits and premiums under your Medicare supplement contract can be suspended, if requested, during your entitlement to benefits under Medi-Cal or Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medi-Cal or Medicaid. If you are no longer entitled to Medi-Cal or Medicaid, your suspended Medicare supplement contract or if that is no longer available, a substantially equivalent contract, will be reinstituted if requested within 90 days of losing Medi-Cal or Medicaid eligibility. If the Medicare supplement contract provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your contract was suspended, the reinstituted contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
5. If you are eligible for, and have enrolled in, a Medicare supplement contract by reason of disability, and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement contract can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement contract under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare supplement contract — or if that is no longer available, a substantially equivalent contract — will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement contract provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your contract was suspended, the reinstituted contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
6. Counseling services are available in California to provide advice concerning your purchase of Medicare Supplement coverage and concerning medical assistance through the Medi-Cal program, including your benefits as a qualified Medicare beneficiary (QMB) and a specified low-income Medicare beneficiary (SLMB). Information regarding counseling services may be obtained from the State Department of Aging.
