Section 6 – Conditions of Application

Please read the following carefully.

- A. You agree to pay an application fee equal to the subscription charges required for the program requested on this application, that this payment will be returned to you if your application is rejected or will be applied to the subscription charges if your application is accepted.
- B. Blue Cross has the right to reject your application. If Blue Cross rejects your application, you will be notified in writing and any application fees submitted with this application will be refunded. You understand and agree that if Blue Cross rejects your application, under no circumstances will any Blue Cross benefits be payable. ***Cashing of your check by Blue Cross does not constitute approval of your application.***
- C. If your application is accepted, this application will become part of the agreement between Blue Cross and yourself. If this application is accepted, you further agree to be bound by the arbitration agreement set forth in this application and you waive your right to court trial by judge or jury in the event of any dispute arising under this policy.
- D. Blue Cross may request additional information, which may delay processing of this application. If the health care provider bills for this information, Blue Cross will pay up to \$25 and you understand that you will be responsible for any difference.
- E. The selling agent has no authority to promise you coverage or to modify Blue Cross underwriting policy or terms of any Blue Cross coverage.
- F. You alone are responsible for reading and accurately completing this application. You understand that coverage under the contract will be voided only in the event that you fail to accurately respond to questions regarding your past or present health condition. You understand that you are not eligible for any benefits if any information requested on this application, even information about your Medicare coverage, is false, incomplete or omitted and that Blue Cross may void all coverage from the original effective date of the policy for misstatements or omissions.
- G. California law prohibits an HIV test from being required or used by health care service plans as a condition of obtaining coverage.**

Notice to Applicant.

- 1. You do not need more than one Medicare supplement policy.
- 2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- 3. You may be eligible for benefits under Medi-Cal or Medicaid and may not need a Medicare supplement policy.
- 4. If, after purchasing the policy, you become eligible for Medi-Cal or Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested during your entitlement to benefits under Medi-Cal or Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medi-Cal or Medicaid. If you are no longer entitled to Medi-Cal or Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medi-Cal or Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- 5. If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days after losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- 6. Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medi-Cal or Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB). Section 8 – Binding Arbitration

Any dispute or claim, of whatever nature, arising out of, in connection with, or in relation to, this Agreement, or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limit of the small claims court. Any dispute regarding a claim for damages within the jurisdictional limits of the small claims court will be resolved in such court. The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply. The Member and Blue Cross agree to be bound by these arbitration provisions and acknowledge that they are giving up their right to trial by court or jury.

California Health & Safety Code section 1363.1 requires that any arbitration agreement include the following notice: "It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration."

(continued on next page)

Section 8 – Binding Arbitration (continued)

The Member and Blue Cross agree to give up the right to participate in class arbitrations against each other. Even if applicable law permits class actions or class arbitrations, the Member waives any right to pursue, on a class basis, any such controversy or claim against Blue Cross and Blue Cross waives any right to pursue, on a class basis, any such controversy or claim against the Member. The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings. The arbitration is initiated by the Member making written demand on Blue Cross. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS"), according to its applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the Member and Blue Cross, or by order of the court, if the Member and Blue Cross cannot agree.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to whom the parties have agreed, in which cases, Blue Cross will assume all or a portion of the costs of the arbitration.

Please send all Binding Arbitration demands in writing to:

WE ADVISE YOU TO SAVE THIS NOTICE AS IT MAY BE IMPORTANT TO YOU IN THE FUTURE

According to the information you have furnished, you intend to lapse or otherwise terminate an existing Medicare supplement policy or Medicare Advantage plan and replace it with a contract to be issued by Blue Cross of California. Your plan contract to be issued by Blue Cross of California will provide 30 days within which you may decide without cost whether you desire to keep the contract. You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. Terminate your present policy or plan contract only if, after due consideration, you find that purchase of this Medicare Select coverage is a wise decision.

Statement to applicant by plan, solicitor, solicitor firm, or other representative:

- A.** I have reviewed your current medical or health coverage. The replacement of coverage involved in this transaction does not duplicate coverage, to the best of my knowledge. The replacement contract is being purchased for the following reason (check one):
- Additional benefits.
 - No change in benefits, but lower premiums.
 - Fewer benefits and lower premiums.
 - My plan has outpatient prescription drug coverage and I am enrolling in Medicare Part D.
 - Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment.
-
- Other. (Please specify.) _____
- B.** You may not be immediately eligible for full coverage under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present policy or contract.
- C.** State law provides that your replacement Medicare Select contract may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The plan will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new coverage for similar benefits to the extent that time was spent (depleted) under the original contract.
- D.** If you still wish to terminate your present policy or contract and replace it with new coverage, be certain to truthfully and completely answer any and all questions on the application concerning your medical and health history. Failure to include all material medical information on an application requesting that information may provide a basis for the plan to deny any future claims and refund your prepaid or periodic payment as though your contract had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.
- E.** Do not cancel your present Medicare supplement coverage until you have received your new contract and are sure you want to keep it.
- F.** The SmartChoice Preferred Plan (High Deductible Plan F with Rider) is underwritten by Blue Cross of California.
