# INTRODUCTION

This booklet provides a list of Health Net's network pharmacies. This directory is for California. All network pharmacies may not be listed in this directory. The directory is current as of October 1, 2005. A pharmacy's listing in this directory does not guarantee the pharmacy is still in the network. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Health Net network pharmacies in your area, please visit our Website at [www.healthnet.com](http://www.healthnet.com) or call our Customer Service Department at 1-800-806-8811, Monday through Friday from 8 a.m. to 5 p.m., except holidays. TTY/TDD users should call 1-800-929-9955.

This booklet provides a list of Health Net network pharmacies and includes some basic information about how to fill your prescriptions with Health Net. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review your Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Health Net. In most cases, your prescriptions are covered under Health Net only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

## **CAN THE LIST OF NETWORK PHARMACIES CHANGE?**

Yes, Health Net may add or remove pharmacies from our pharmacy directory. To get current information about Health Net network pharmacies in your area, please visit our Website at [www.healthnet.com](http://www.healthnet.com) or call our Customer Service Department at 1-800-806-8811, Monday through Friday from

8 a.m. to 5 p.m., except holidays. TTY/TDD users should call 1-800-929-9955.

## **HOW DO I FIND A HEALTH NET NETWORK PHARMACY IN MY AREA?**

The directory starts on page 5 and is sorted first by state, then by type of pharmacy and location. To find a network pharmacy in your area:

1. Turn to the state where you are looking for a pharmacy
2. Decide which type of pharmacy you need (retail, mail order, long-term care, etc.), and then locate the section for that type of pharmacy.
3. Pharmacies are listed by county, city and zip code within each section.

Or you can visit our Website at [www.healthnet.com](http://www.healthnet.com) or call our Customer Service Department at 1-800-806-8811, Monday through Friday from 8 a.m. to 5 p.m., except holidays. TTY/TDD users should call 1-800-929-9955.

## **HOW DO I FILL A PRESCRIPTION AT A NETWORK PHARMACY?**

To fill your prescription at a network pharmacy, you must show your Health Net Member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your copayment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Customer Services.

## **HOW DO I FILL A PRESCRIPTION THROUGH HEALTH NET'S MAIL ORDER PHARMACY SERVICE?**

To get a mail order brochure, order form or information about filling your prescriptions by mail, please call our Customer Service Department at 1-800-806-8811, Monday through Friday from 8 a.m. to 5 p.m., except holidays. TTY/TDD users should call 1-800-929-9955. Please note that you must use the Health Net mail order service. Prescription drugs that you get through any other mail order service are not covered.

You can use the Health Net mail order service to fill prescriptions for any drug that is on the formulary, except those drugs in Specialty Group A or Specialty Group B.

When you order prescription drugs by mail, you may not order more than a 90-day supply of the drug.

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a retail pharmacy in Health Net's network to obtain a maintenance supply of medications. Some retail pharmacies may agree to accept the mail order reimbursement rate for an extended supply of medications, which may result in no out-of-pocket payment difference to you. Please look in the Evidence of Coverage or call Customer Service Department at 1-800-806-8811, Monday through Friday from 8 a.m. to 5 p.m., except holidays. TTY/TDD users should call 1-800-929-9955.

Generally, it takes our mail order pharmacy 14 days to process your order and ship it to you. However, sometimes your mail order may be delayed.

If your order is delayed, call our mail order pharmacy at 1-800-316-3106, 24 hours a day, 7 days a week. TTY/TDD users should call 1-800-972-4348.

### **FILLING PRESCRIPTIONS AT A NON-NETWORK PHARMACY**

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

#### **Getting coverage when you travel or are away from the plan's service area**

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our mail order pharmacy service.

If you are traveling within the United States and territories and become ill, lose or run out of your prescription drugs we will cover prescriptions that are filled at an out-of-network pharmacy.

In this situation, you will have to pay the full cost (rather than paying just your copayment) when you

fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. To learn how to submit a paper claim, please refer to the paper claims process described later.

You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

#### **What if I need a prescription because of a medical emergency or because I needed urgent care?**

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. To learn how to submit a paper claim, please refer to the paper claims process described later.

#### **Other times you can get your prescription covered if you go to an out-of network pharmacy**

We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24 hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).
- If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

**Before you fill your prescription in these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill your prescription.**

If you do go to an out-of-network pharmacy for the reasons listed above, you will have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. To learn how to submit a paper claim, please refer to the paper claims process described next.

### **HOW DO I SUBMIT A PAPER CLAIM?**

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy because of the reasons listed above, the pharmacy may not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. When you return home, simply submit your claim and your receipt to the following address:

Argus Health Systems Dept. #338  
P.O. Box 419019  
Kansas City, MO 64141

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Service for more information on initial coverage determinations.

### **FOR MORE INFORMATION**

For more detailed information about your Health Net prescription drug coverage, please review the Evidence of Coverage and Health Net's formulary.

If you have questions about Health Net, please call our Customer Service Department at 1-800-806-8811, Monday through Friday from 8 a.m. to 5 p.m., except holidays. TTY/TDD users should call 1-800-929-9955.
